See "Resources" side bar for the letter to Corps. SC approval from Ken was via email, which I'll send you. R9 did not send an additional letter request to OW beyond our May 2014 letter.

Separately, for internal WG purposes, I'm also investigating setting up a SharePoint site to share documents, updates, and minimize email traffic.

That sounds like a good idea; perhaps next Tuesday or Wednesday?

Also, did Region 9 make a verbal request for the special case (in light of the fast-moving issues) or was there something written? If written, could you send us a copy? Thanks!

Hi Donna and Russ - I'd like to chat soon about HQ coordination process on our special case. Perhaps I can set up something with you next week, after the FAR and preamble work of this week is behind us?
